

To Whom It May Concern:

25<sup>th</sup> of Mai 2000

This letter is to confirm that Oliver F. Lehmann (Information Technology Training, Wendelsteinring 11, 85737 Ismaning) served as a speaker for our company at the Microsoft Project User Congress 16<sup>th</sup>/17<sup>th</sup> May 2001.

The topic of his lecture was "The PMBoK<sup>®</sup> Guide and Microsoft Project<sup>®</sup>".

Oliver F. Lehmann showed, how to follow a project life cycle or a project phase through the process groups Initiating - Planning - Executing - Controlling - Closing and make best use of the software Microsoft Project in the single processes defined herein by the Project Management Institute (PMI<sup>®</sup>).

The lecture was well received by both the attendants and Microsoft as the performing organisation.
